

# Kurtz Marketing & Management

*Kurtz Marketing and Management (KMM) is an international business development consultancy active in the high tech industry. KMM is specialised in the development of business to business cooperation, partnerships, technological cooperation between Dutch and international companies and introduction of innovative products and technologies into the Dutch and European markets.*

*Our clients are leading high-tech companies including global companies as well as innovative start-up companies from around the world.*

## International Marketing Consultant

We are currently looking for an ambitious International Marketing Consultant. As a consultant you will be working on challenging marketing and business development projects for our clients throughout Europe and the USA.

### Main tasks:

- Managing marketing and business development projects from beginning till end
- Taking responsibility for acquisition processes (contacting potential clients, negotiating contracts)
- Helping promote KMM through i.e. newsletters, website and social communities

### Candidate profile:

- Background in business administration, marketing management, international business studies, or similar studies
- Starter (0-3 years of experience)
- You're a generalist, with an interest in the high-tech industries
- Ambitious, independent and not afraid to take initiative
- Creative, and solution-oriented
- You can cope with stress and meet deadlines
- Language skills: fluent in English, preferably also in Dutch, additional languages are a plus

### What we offer:

- Challenging tasks in an international work environment
- A dynamic work place
- A position with room for personal growth

**Starting date:** Short term

**Terms:** Fulltime
